

Navigate: How to Log-In

There are two methods of logging into Navigate:

Method #1

1. Open either a Google Chrome or Mozilla Firefox browser

2. Log-in to your [MyWCU](#) account
3. Search for Advising and Tutoring in the search kiosk at the top of the screen, then select **“Advising and Tutoring”** from the list results. You can also save this application to your My Apps (**image one**) by searching "ALL APPS" under the My Apps area of your myWCU and selecting **"Pin App"** (**image two**).
4. It may make you log-in with your WCU username and password. This will take you into the Navigate platform.

5. Please change the term to **current term (ex. Summer 2022)**.

Method #2

1. Open either a Google Chrome or Mozilla Firefox browser

2. Type this direct web address to Navigate, in your browser – <https://wcu.campus.eab.com/>– if you are already logged in to one of our WCU single-sign-on systems, this will take you directly into the Navigate platform, if not, enter your WCU credentials.

3. Please change the term to **current term (ex. Summer 2022)**.
