

# PRINT FROM PERSONAL DEVICE

## MobilityPrint

Visit [bit.ly/wcumobilityprint](https://bit.ly/wcumobilityprint) or scan code to set up printing on your personal device.

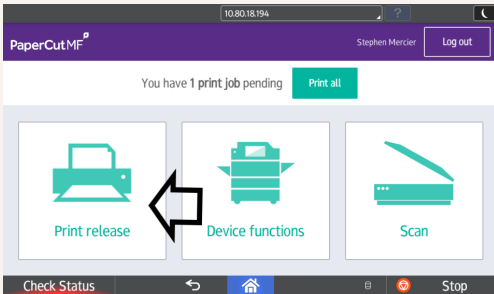

Select **File>Print>MobilityPrintBW** or **MobilityPrintColor** in the printer menu. Choose **Print** in the cost confirmation window.

Scan your CatCard at the printer.

Select **Print Release** to choose documents to print and confirm settings.

For more PawPrint information, visit [help.wcu.edu](https://help.wcu.edu).

# PRINT FROM PERSONAL DEVICE

## WebPrint

Visit **webprint.wcu.edu** to submit a print job from any device with a web browser. Scan the code for full instructions.

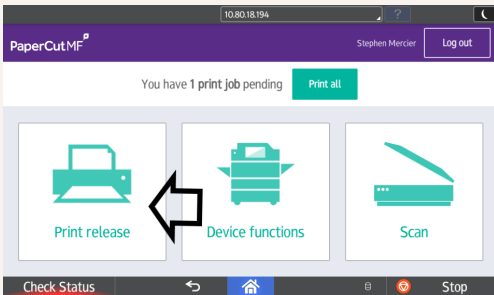

Choose your preferred settings and upload the file.

Scan your CatCard at the printer.

Select **Print Release** to choose documents to print and confirm settings.

Don't forget to log out when finished.
