Electives	Hrs
Students are free to select electives of their choosing to fulfill the 120 credit hours for the degree; however, it is strongly recommended that they consult with their advisor to determine amount of electives needed.	/

Catalog Year 2023-2024

Program Criteria
This is an entry-level program where students are able to enter the program upon admission.
Students must maintain an overall GPA of 2.25 and receive a grade of no less than a 'C' for all courses in the major.

Additional Information
One upper-level course is required in any perspective category outside the discipline (prefix) of the student's major. Students should not enroll in courses numbered above their class rank without permission of the department.

Undergraduate Catalog
